Frequently Asked Questions

WHAT CAN BACHETTI'S HANDLE FOR ME?

Bachetti's can do it all. Our staff has many years of event coordination experience and we enjoy seeing our customers worry-free at their events. Our philosophy is simple, it is all about the food and the service. We are at your disposal.

HOW MUCH NOTICE DOES BACHETTI'S NEED FOR AN ORDER?

Please place your order a week in advance. For Full Service events, we would like as much notice as possible so we can make sure your event is exactly as you want it. We do work miracles though.

HOW MUCH FOOD DO I NEED?

Ordering food for any size group is never easy. There are many variables involved. With your guidance and our experience we will optimize your menu to make sure you have the appropriate amount of food. No one wants to run out of food, but you also do not want a truckload of leftovers either.

We will tell you the average amount you will need and you decide if you want to increase or decrease these amounts. To help us get to this average, please inform us of pertinent information such as: Is your event short or long? Will there be a large amount of children or a group of hungry football players? Is 'Aunt Millie' bringing her famous meatballs?

Make a few menu selections, let us know about your event, and we will advise you on the amounts from there.

DO I TIP THE DELIVERY DRIVER?

Our delivery drivers strive to do their best to make sure you are happy. If you're satisfied with their work, they will appreciate your generosity.

HOW LATE CAN I CHANGE, UPDATE OR CANCEL MY ORDER?

Additions can usually be made up to the last minute, just call and ask and we will do the best that we can. Cancellations or deletions may be made no later than five days prior to the date. Please make sure you have a contingency plan for rain, snow, etc. Your food will be prepared regardless of the weather.

WHAT IS YOUR PAYMENT POLICY?

We accept Cash, Major Credit Cards and Checks. A 10% deposit is required upon order confirmation. Personal checks are only accepted 21 days, or more, prior to the event. Final balance is due 10 days prior to your event. Regardless of your payment method, a credit card is required when renting equipment.

MY QUESTIONS IS NOT LISTED HERE.

Please do not hesitate to call our catering department, we are happy to assist you in anyway possible. Check out our website for more information and resources.
